NEWS LETTER DECEMBER 1991

IN-TER DANCE MASSIVE .. 'YO! What's happening out there???" Well nothing as serious as what I've got planned over the next month or so!! Just a couple of quink words before I go on to the next Month's Events

Firstly I would like to explain about the parking problem! BASICALLY the nounnil will not let us park on the grass where we used to park which consequently causes a back log of cars parking down the hill and onto the dual carriageway The Police are now say ng that if there's anymore cars parked on the dual carriageway we will LOSE our entertainments licence So PLEASE do NOT park on the dual carriageway and try to fill the car park wh uh you come in to reduce the number of cars at Sterns and therefore keeping our entertainments licence

Secondly about next years membership!! Membership runs out at the end of January 1992 As you know in order to hold All Nighters Sterns MUST be a private members club! Orig nally last year when I asked you to join membership was £2 and I promised you one All-Nighter a month (this fee does not cover the administration costs of stamp money) So therefore next year there will be two types of membership

1) Full membership price £5 Which gives you a newsletter every month so you know what's happen ng when and where
   a) Two pound discount on ALL 3.30am events at Sterns + discount at various record and clothes stores throughout the year
   b) A TASTY membership card that WON'T fall apart (plastic covered)
   c) PLUS being a FULL member you will be a touch above the rest!
2) Part membership will be £3 You will NOT get a newsletter or d scounts on 3.30am event or any other discounts You will receive a membership card and you will be able to come to all the All-N ghters at Sterns! (This membership is designed more for the temporary member or guest who may only come on odd occasions!)

PLUS REMEMBER All-Nighters are held every other Saturday! No Membership! NO Entry!

So please fill in the NEW membership forms that will be circulating shortly in the shops In some of the club magazines and in the last newsletter of the year
